

RAFFLES FOR THE 2010 REGIONAL MEETINGS

Meg Butler, new member of “Val Verde” Lodge #958 of Belen, N.M., has created and donated one of a kind mosaic pieces that are going to be raffled at the United Transportation Union Regional Meetings.

The proceeds of *Home Tweet Home* will be going to the Auxiliary Scholarship Fund and *Nature Laughs In A Garden* to the United Transportation Union – Political Action Committee.

(Each art tile is hand cut and hand glazed by the artist and then grouped together in a ¾ inch angle iron frame.

The backing board and tiles are weather tolerant, so the art work can be hung outdoors as well as indoors.

Iron washers are welded to the frame in the back so that the art pieces are wired for hanging.)
