

A MESSAGE FROM THE NATIONAL LEGISLATIVE DIRECTOR

Thank you. Thank you for your hard work, your persistence, and perseverance in keeping the NMB from eliminating the craft of Conductor and jeopardizing the solvency of RR Retirement (at least for now). We hope each one of you understands how important your efforts played in this success.

Once again, we need to start on voter registration. Let us try something. Have each member of your family and/or friends, pick five people to ensure they are registered to vote, are informed, and if they are not able to get to the polls, make sure they either vote

Absentee ballot or arrange for some form of transportation. Below is the Election Office information for each state, phone number, and web page. Please feel free to share it.

Yours in Sisterly Love,

Charlie Belden
